ABOUT US

T&D Design is a regional firm in FF&E consortium that was established in 2007 and has been serving clients in Egypt, the Middle East and the Gulf market for almost 11 years.

We are market leader in Egypt as we give full Design, Engineering and Logistics installation services with more than 35 Engineers working in T&D Design, and as a result, we have over 500 top projects in the last 10 years in Financial, Energy, Pharmaceuticals, Food & Beverage, Auto Motive, Construction, Embassies, Airports, Hotels, Hospitals & Educational sectors.

Our aim was to concert the Furniture market in Egypt and not only did we do that, T&D Design has managed to successfully open new branches in Kuwait and Dubai. Our next aim is to grow rapidly in Africa and the Gulf markets.

OUR FACILITIES

Establishment of a Showroom of 800 sqm in Egypt, another Showroom for T&D Design in Kuwait.

Spacious warehouse in the 5th settlement and Cairo- Alexandria Dessert Road that allows serving customers in a timely manner, provide after sales services and products maintenance facility.

Main office located in New Cairo, 5th Settlement that gives a warm work space for over 70 employees.

Another office in DMCC in Dubai to support the Gulf activities.

OUR MISSION

We strive to be the acknowledged leader and preferred partner in providing full solutions for business and learning environment.

OUR AIM

T&D Design's main aim is to accomplish all our projects following the agreed upon time schedule. We also strive to follow perfection in the quality of service provided by T&D Design to match the Project's specifications and design.

T&D Design always aims to ensure providing a stable work environment to develop our employees and to increase their added values.

ENG. TAREK YOUSSEF
CEO

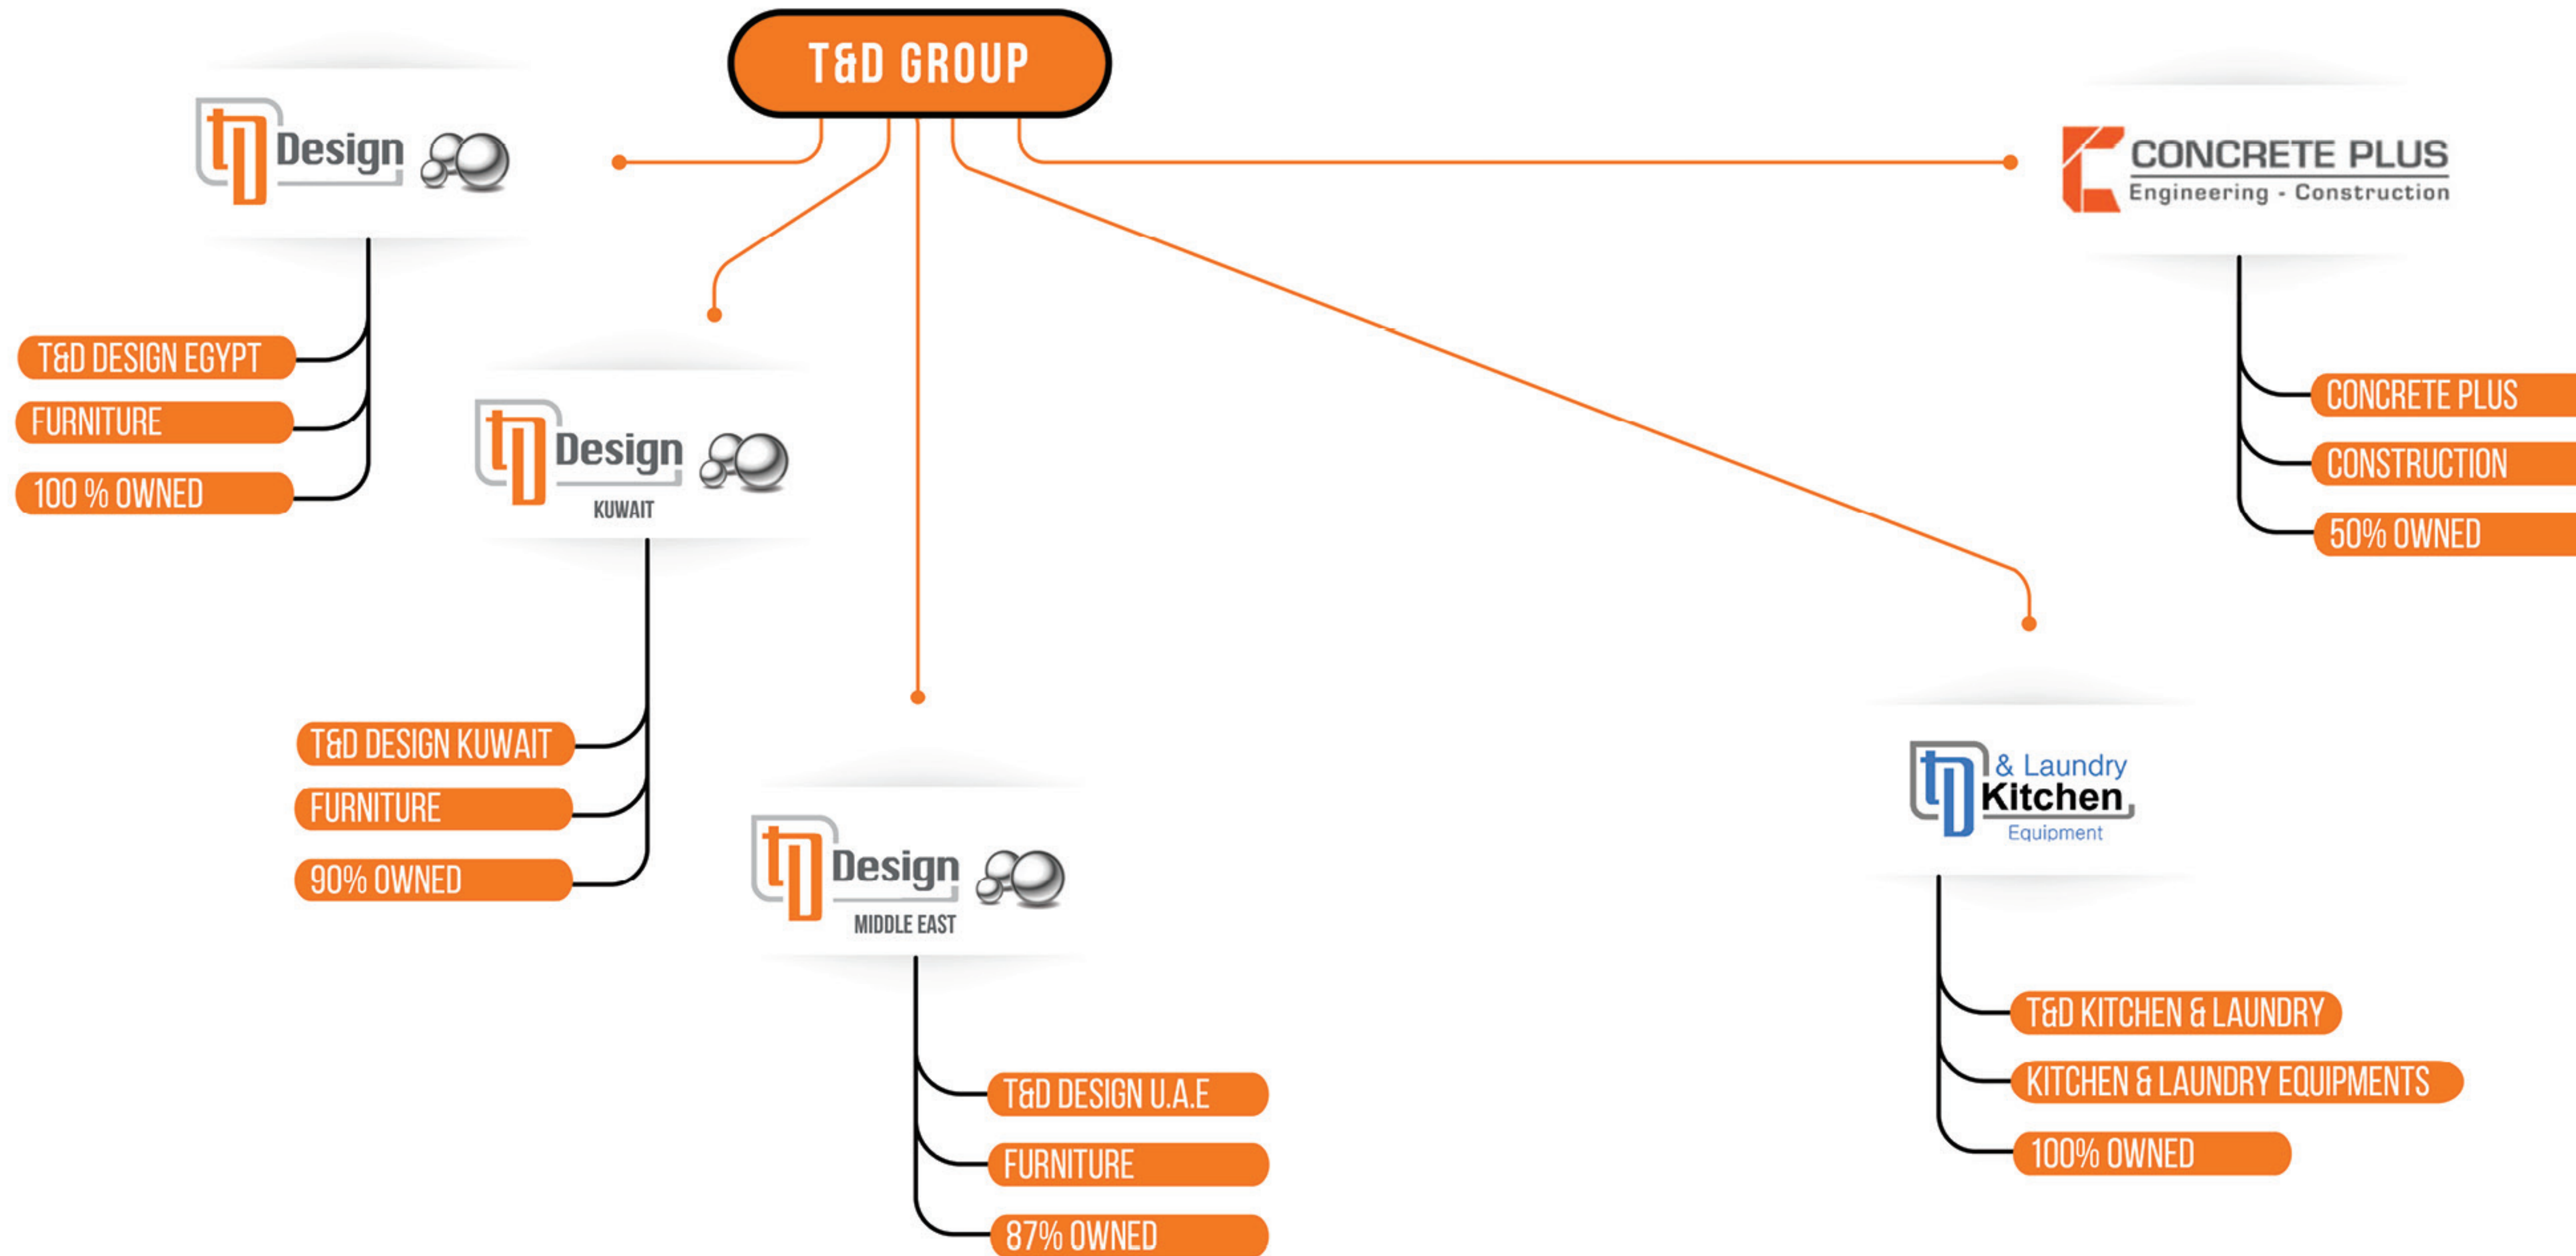

MANAGEMENT'S VISION

“ Our number One goal is to pursue excellence in everything we do and for T&D Design to grow rapidly with the same provided quality of service. ”

ENG. DINA EL KHOLY
CO-CEO

Established in 1998 and transformed by new technologies, construction methods, project types, and safety practices. We are proud to see that our company has grown into one of the most successful contractors in Egypt and has completed some of the most challenging projects , as (Al Masa – New Capital , Sadat Technology Park , Point 90 Avenue , New Giza Residential Buildings , etc.)

Among all that is new, Concrete would find one thing unchanged: Concrete's commitment to building creative solutions, value, and relationships. Our core belief remains: we succeed only when our customers achieve their goals.
